## Sunday Mornings at FBC:

Sunday school classes are available for infants through 6th graders. The 9:00 service allows 1st-6th graders to worship with their families until dismissed to Sunday school. The 10:30 service offers a full Sunday school hour for all ages.

Each age group is taught a Bible Lesson or principle in an age appropriate environment that is enriched with games, crafts or activities relevant to the Bible teaching.

## Special Events:

**Vacation Bible Camp (VBC)** : Every July we transform our church campus into a kid zone for the week! This half-day camp is open to all kids entering kindergarten through 6th grade.

**Redwood Day Camp**: RDC is FBC's very own on-site day camp for kids entering 1st through 6th grade. RDC runs several sessions each summer and offers lots of active summer fun for kids including crafts, games, music and a daily Bible lesson.

**56er Nights Out**: These are fun active fellowship events designed for preteens on select Friday evenings. Friends are always welcome!

**MOPS**: FBC is thrilled to partner with UCC in the Davis chapter of MOPS (Mothers of PreSchoolers). This group meets twice a month, and offers moms with children from birth to kindergarten support from other moms, and ideas of how to nurture the unique mother-child relationship.
