

Mexico Outreach 2008
Scholarship and Payment form

Lighthouse Student Ministries is so excited that you are joining the high school group for our annual Mexico Outreach trip. Every year students return from this trip with so many stories about seeing God work in their lives and the lives of others. In light of this, we want to make sure that every student or adult who wants to join us has that opportunity.

The registration fees this year for the Mexico Outreach trip are \$240 for high school students, \$180 for adults, and \$120 for other children. This covers the basic costs of the trip: food, lodging, transportation, and ministry resources. However, we don't want finances to keep anyone for participating in this trip. Instead we want to work with families to make this trip an opportunity for everyone.

There are two ways that we may be able to help. First, if you need a scholarship in order to afford the registration costs for your student(s), then we will do our best to cover whatever costs you cannot. Second, if you would benefit from spreading out the costs over a period of time, we would like to work out a payment plan that works for you.

In order to apply for one of these two types of aid, **please fill out the form below and turn it in by February 24 with a \$75 deposit for each student/adult that you have participating.** We will contact you asap to confirm your request for financial help.

If you have any questions about Mexico trip costs or finances, please contact Joe Biggs 758-7100 ext.13, or jbiggs@fbcDavis.org.

Mexico Team participant(s):

If you are requesting a scholarship for part of the registration costs, please list below how much of the registration balance you can afford to pay, and how much you need to be scholarshiped:

If you are requesting a payment plan for the registration balance, please describe below how you would like to spread out the remaining balance. Please also note whether or not you would like a reminder from us for making the balance payment(s):
