

A TALE OF TWO KINGDOMS

Where are all the Daniels?

Daniel 4

“There is one vice of which no man in the world is free; which everyone in the world loathes when they see it in others.... There is no fault which we are more unconscious of in ourselves; and the more we have it in ourselves, the more we dislike it in others.” C.S. Lewis

The King’s Humbling & Repentance

“The real damage is done by those millions who want to ‘survive.’ The honest men who just want to be left in peace. Those who don’t want their little lives disturbed by anything bigger than themselves. Those with no sides and no causes. Those who don’t like to make waves—or enemies. Those for whom freedom, honour, truth, and principles are only literature... those people who [play it safe]. Safe?! From what? Life is always on the edge of death; narrow streets lead to the same place as wide avenues, and a little candle burns itself out just like a flaming torch does. I choose my own way to burn.” Sophie Scholl
